TAMWILCOM Launches Its New Website: A Redesigned Digital Platform Serving the Financing Ecosystem

Rabat, March 5, 2026 – TAMWILCOM has launched its new corporate website, designed to provide a more intuitive, structured, and user-oriented experience for all its stakeholders, including financial partners, public institutions, businesses, project holders, and individuals.

This redesign is part of TAMWILCOM's ongoing modernization efforts and reflects its commitment to enhancing accessibility, transparency, and clarity in its actions, in line with its role as a public institution dedicated to facilitating access to finance.

One of the key features of the new website is an integrated search engine that enables users to quickly identify solutions tailored to their profile and financing needs. Through a few simple selections (user profile, type of need, and financing amount), users can access clear and targeted information on the most relevant support mechanisms.

The new website offers:

- A simplified and structured presentation of guarantee and financing products;
- Intuitive navigation tailored to different user profiles;
- A fully optimized experience across desktop, tablet, and mobile devices, ensuring enhanced accessibility.

Through this new platform, TAMWILCOM reaffirms its commitment to modern public service, continuous improvement in service quality, and stronger proximity with all stakeholders within its ecosystem.

The website remains accessible at its usual address: www.tamwilcom.ma
